Central with X-ray
Traditional central cabinet with x-ray access to both sides through bi-fold doors

Minimized upper cabinet with towel, cup and glove dispensers

Central with Full Counter and Storage
New central design maximizes storage for offices with centralized or portable x-ray systems

Steel Structure
Integrated vertical steel backbone provides solid support for x-ray and cabinet mounted examination light

Corian® Countertops
Solid surface countertops provide modern styling with exceptional durability

Faucet Control
Foot activated faucet to minimize contact
