

ROYAL ALLIANT 2260

The Alliant is Royal's flagship chair of superior luxury and quality, yet offered at an affordable price. The ergonomic design features a contoured backrest with built-in arm support and Royal's magnetic headrest to effectively articulate the oral cavity while maintaining proper posture. The Alliant's minimum seat height of 13.5 inches above the floor facilitates working on patients that cannot be reclined to a full supine position.

Royal®
