## N7400-P STERI CENTER

### PLATINUM COLLECTION

Biotec's newly released premium cabinet line incorporates modern lines and sleek euro-styling. The Platinum Collection offers luxurious features and hand-crafted details. Platinum cabinetry creates an inspiring foundation for your successful practice, while making an investment toward years of reliable operation.

Biotec strives to design steri-centers compliant to OSHA and CDC standards. A well designed steri-center provides organization, efficient processing of dental instruments and rapid turnover of instrument set-ups; all in a sterile environment.
