

BIOTEC N7501

Biotec excels at providing cabinetry solutions to meet the unique requirements of dental specialists. Biotec cabinets offer superior quality and durability over internet retailers, while allowing unlimited laminate colors and surface options.

Enjoy the convenience ordering through your local dental dealer, who can handle all the details of a professional installation. Select from our expansive selection of existing ortho, pedo and oral surgery solutions, or create your own specialized design.

N7501 ORTHO UNIT (V-Series)

BIOTEC

Biotec's N7500-P fixed and mobile ortho units create compact treatment stations with storage to support most every procedure. The frontal position of both dynamic instruments and storage drawers allows convenient delivery in a smaller, more narrow cabinet. Multiple drawers and inserts increase efficiency by storing and organizing materials required for each patient check. Biotec's superior quality construction methods are demonstrated through decades of durable performance.
