

BIOTEC N7515-P

Biotec excels at providing cabinetry solutions to meet the unique requirements of dental specialists. Biotec cabinets offer superior quality and durability over internet retailers, while allowing unlimited laminate colors and surface options.

Enjoy the convenience ordering through your local dental dealer, who can handle all the details of a professional installation. Select from our expansive selection of existing ortho, pedo and oral surgery solutions, or create your own specialized design.

N7515-P ORTHO UNIT (Slim-line)

BIOTEC

Biotec's slim-line series provides compact, efficient and attractive delivery solutions to the modern, high traffic orthodontic practice. The ultra-small footprint of the N7515-P design saves critical floor space while providing automatic delivery and critical storage. Biotec's superior quality construction methods are demonstrated through decades of durable performance.
