BIOTEC

N7590-P ORTHO UNIT (Slim-line)

Biotec's slim-line series provides compact, efficient and attractive delivery solutions to the modern, high traffic orthodontic practice. The narrow 19.5" design of the N7590-P saves valuable floor space, while the handpiece assisted-retraction system provides a clean look, free of tangled tubings. Biotec's superior quality construction methods are demonstrated through decades of durable performance.
