

BIOTEC OSC

Biotec excels at providing cabinetry solutions to meet the unique requirements of dental specialists. Biotec cabinets offer superior quality and durability over internet retailers, while allowing unlimited laminate colors and surface options.

Enjoy the convenience ordering through your local dental dealer, who can handle all the details of a professional installation. Select from our expansive selection of existing ortho, pedo and oral surgery solutions, or create your own specialized design.

BIOTEC

OSC ORAL SURGERY CENTER

Biotec's Oral Surgery cabinetry provide staff efficiency and equipment storage encased in a modern and calming exterior. Biotec's superior quality construction methods protect your investment and provide years of durable performance. Our ability to design cabinetry that fits your surgical suite and method of practice is unparalleled.

The **CENTRAL SURGERY MODULE** is the heart of the surgical suite and starting point in creating your customized design. Locating at the 12 o'clock position provides convenient equipment positioning for both surgeon and assistant, minimizing movement and increasing efficiency. Pocket doors recess out of the operating field for easy equipment access and protect against contamination and the patient viewing when closed.

UPPER SECTION - 18"

- Storage w/ pocket doors and adjustable shelf for patient vitals monitor

MID SECTION - 19"

- Flush panel left for Porter flush mount MXR and oxygen therapy flowmeter
- Storage right w/ flip-up pocket door for surgical suction and Ambu bag

LOWER SECTION - 50"

- Storage left w/ pocket door & 2 slide-out shelves for surgical handpiece with peristaltic pump
- Equipment right w/ slide-out instrumentation
- Self-contained patient water w/ quick connect
- Slide out Analgesia bracket with rubber goods
- Air/water syringe and HVE
- Outlet strip

After configuring the central surgery module, the left and right support cabinets complete the suite and provide locations for sinks, glove/towel dispensers, materials storage, monitor, computing equipment and sharps/bio disposal.
